Mark,

EA Engineering, Science, and Technology, Inc., PBC (EA) is submitting the Data Evaluation Technical Memorandum (DETM) for the above-referenced Task Order. The DETM consists of the Technical Memorandum Summarizing Laboratory Analytical Results [Subtask 6.1], and includes as appendixes (1) the Data Validation Report for Phase 1 [Subtask 5.9] and (2) Validated Laboratory Analytical Results and Field Data [Subtask 6.1] as listed in the Schedule of Deliverables. EA is shipping two hard copies and three electronic copies on compact disc (CD) of the DETM to the EPA mailroom. In addition, two hard copies and two electronic copies on CD of the DETM are being provided to Mr. Angelo Ortelli with the New Mexico Environment Department. *Please note, the DETM attached to this email is abbreviated and does not include the appendixes due to file size limitations.*

Please let me know if you have any questions regarding this deliverable.

Thank you,

April
